Ultra-Line Pipe Tray[®]

Capture leaks and drips from hose and pipe connections

- + Protect the environment from leaking fuel and chemical pipe or hose connections.
- + Polyethylene construction – won't rust or corrode.
- + Lightweight and durable – easy to move and store but built to last in the field.
- + Built-in handles provide easy transport and portability.
- + Stackable for convenient shipping and storage.

Two channel sizes accommodate 2½" and 3½" pipes, providing maximum versatility and ensure pipes remain in place.
